

NIGHT STALKER ASSOCIATION HUNTSVILLE

April 18, 2018

Dear Night Stalker Association Supporter:

The Night Stalker Association – Huntsville would like to thank you for your continued support in 2018. Industry and individual supporters made it possible for our Chapter to continue our mission to support Night Stalkers and their families in the Huntsville / Redstone Arsenal community as well as Association members around the world. In 2017 the NSA-Huntsville awarded \$6,000 in scholarships to 8 of our chapter family members and donated \$1,160 to support our National Scholarship fund. We're working to increase that number in 2018 so we can support the educational goals of more deserving scholars. Our Chapter also maintains funds to support Night Stalkers who have suffered catastrophic or other significant losses. These emergency assistance funds stand ready to support our members in their most urgent time of need.

As the end of tax seasons approaches, we again ask for your generous support. The NSA-Huntsville Chapter operates solely on corporate / individual contributions and chapter fundraising activities. Contributions specifically designated for Scholarship or our Emergency Assistance Fund (EAF) are maintained and executed only for the specified purpose. General or undesignated donations support the full scope of chapter activities and are applied to Scholarship, EAF, and other chapter activities.

The NSA-Huntsville Chapter operates as a Local Chapter under our National Organization. The Night Stalker Association is a non-profit organization founded in 1988 and is organized under IRC 501(c)(19) as a War Veterans' Organization (Tax # 62-1356456).

Any level of support you provide affords us the opportunity to help the men and women of our unique Night Stalker family. Soldiers and their Families know they can rely on the Association in their time of need. Thank you for ensuring we are able to uphold that promise to our members who have given so much for our nation. With your continued support, we will be more successful in the coming year. Our volunteer-based organization is committed to making the most of every tax-deductible dollar donated to the Association.

Please visit the Night Stalker Association website at www.nsa160.com for an in-depth look at the unit accomplishments, history, and chapters.
